

SPONSORSHIP PACKAGE 2023

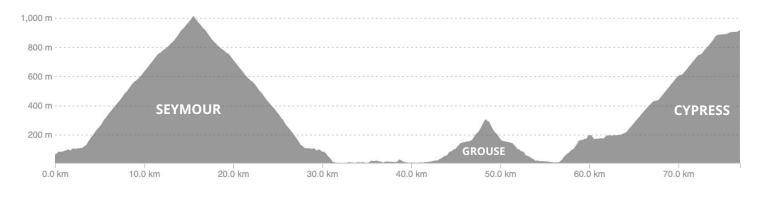

OVERVIEW

THE CHALLENGE

Since 2010, Triple Crown for Heart has been Vancouver's most challenging, and rewarding, community impact event.

The event is fully volunteer driven, spans three municipalities, more than 75 kilometers, and over 2,000 meters of elevation. Participants begin in the District of North Vancouver at the base of Mount Seymour, where they will scale one, two or three of Vancouver's iconic peaks on bicycle.

THE CAUSE

Triple Crown for Heart supports projects at BC Children's Hospital which strive to promote healing and health recovery of children and families. Our non profit also supports Camp Zajac hosted by the Children's Heart Network.

By supporting The Triple Crown for Heart in their efforts to fundraise for these causes your generosity will be supporting cardiac children and families to ease their burden while in hospital and provide children and teens a chance to have a life-changing experience after recovery through a dedicated cardiac camp.

HISTORY

MAKING AN IMPACT SINCE 2010

Since its inception in 2010, the Triple Crown for Heart has raised more than \$240,000 to benefit the British Columbia's Children's Hospital Foundation (BCCHF) and the Children's Heart Network (CHN). The first Triple Crown funded a project to revamp an outdoor garden at the hospital for patients recovering from heart surgery and their families to enjoy. The funds enabled the outdoor space to be maintained for three years until the construction of the new hospital began. In 2018 Triple Crown also decided to support cardiac children and teen to go to Camp Zajac.

Over the last 12 years the funds raised have supported: nutrition programs, purchase of family waiting room furniture, comfort packages for parents, and a coffee and tea program for parents on the inpatient ward.

This year the funds we raise from our event will continue to support a specialty nutrition program for children who are recovering from heart surgery. The funds will also support Camp Zajac's summer camp, giving children who have recovered from heart surgeries and treatments the opportunity to learn new skills, grow and make new friends.

EVENT OVERVIEW

TC4H 2023 will be the 11th event of the series, targeting 250 riders from around the region and 10+ sponsors to support the event.

Our fundraising target for 2023 is \$35,0000.
